

Serious Incident Report

Governing Body meeting

6 March 2014

Author(s)/Presenter and title	Tony Moore, Senior Quality Manager
Sponsor	Kevin Clifford, Chief Nurse
Key messages	
<ul style="list-style-type: none"> Sheffield CCG has a role to ensure that Serious Incidents (SIs) in our commissioned services, and within our commissioning function, are reported, investigated and appropriately acted on. This paper is to provide an update on new Serious Incidents (SIs) in January 2014 for which the Governing Body has either a direct or a performance management responsibility. 	
Assurance Framework (AF)	
<p>How does this paper provide assurance to the Governing Body that the risk is being addressed? The paper provides information required as part of the National Standard contracting process and is existing assurance against current controls.</p> <p>Is this an existing or additional control: Existing AF 2.1.</p>	
Equality/Diversity Impact	
<p>Has an equality impact assessment been undertaken? No</p> <p>Which of the 9 Protected Characteristics does it have an impact on? SIs could potentially impact on all characteristics</p>	
Public and Patient Engagement	
Please list actions for PPE: None	
Recommendations	
The Governing Body is asked to note the new SIs for January 2014 for each organisation
