Not applicable	
Recommendations	
The Governing Body is asked to note the combined Gifts and Hospitality and Commercial Sponsorship Annual Report 2014/15.	

Gifts and Hospitality and Commercial Sponsorship Annual Report 2014/15

Governing Body meeting

7 May 2015

1 Introduction / Background

All decisions by NHS Sheffield CCG staff members on the provision or acceptance of gifts and hospitality must be able to withstand both internal and external scrutiny.

Casual gifts or offers of hospitality by contractors or others must not be in any way connected with the performance of duties so as to constitute an offence under the Bribery Act 2010. They must be defensible as being in the direct interest of the organisation, as being proportionate to that interest and within limits that are acceptable to the Governing Body.

All staff and those working on behalf of the organisation are required to register any gifts, hospitality or commercial sponsorship received in connection with their role. Any gifts, benefits, sponsorship or hospitality received from any company, organisation or person which in anyway relates to their position within NHS Sheffield CCG should be declared. This includes, for example: all gifts, wine, lunches, sponsorship to attend a conference or any other benefits, such as hospitality, tickets to sporting or cultural events, etc, which have been given free, or at a cost below that which is generally available to members of the public.

2 2014/15 Annual Report

The Gifts and Hospitality Register and Commercial Sponsorship Registers are attached at Appendices 1 and 2 respectively.

Section 7.3.5 of the CCG's Commercial Sponsorship Policy states that "Projects valued in excess of £5,000 require prior approval by CCG Governing Body". There were no projects valued in excess of this amount during the period 1 April 2014 – 31 March 2015

3 Recommendation

The Governing Body is asked to note the combined Gifts and Hospitality and Commercial Sponsorship Annual Report 2014/15.

Paper prepared by Sue Laing, Senior Associate, Risk and Governance , Yorkshire and Humber Commissioning Support

On behalf of Tim Furness, Director of Business Planning and Partnerships

April 2015

Gifts and Hospitality Register - 2014-15

C-01-14	Afternoon event on 20.5.14 . The project is to run a city-wide half day training event for GPs and practice and community nurses on a range of cancer survivorship issues, to include: colorectal cancer, breast cancer, understanding and managing late effects of common cancers and treatments, the importance of the recognition and effective management of the psychological impact of cancer and lymphoedema management in primary care	NHS Sheffield Clinical Commissioning Group. Sponsorship income will be paid into the Joint Clinical Directors' budget which is being used to fund the overall event	Ashfield Healthcare	400.00	Approved by the Head of Medicines Management. The arrangements concern covering costs associated with the venue and catering. The sponsoring organisation will not be contributing to the programme but will however have an opportunity to promote the medicines they manufacture to prescribers. It is of course entirely up to individual prescribers as to whether or not they choose to enter into discussions with company representatives. This sponsorship is one of three pharmaceutical companies who sponsored the event on 20 May (total amount of funding £1200)	Approved	CFO	25.4.14	N/A

The arrangements concern covering costs associated with the venue and catering. The sponsoring organisation will not be contributing to the programme but will however have an opportunity to promote the medicines they manufacture to prescribers. It is of course entirely up to individual prescribers as to whether or not they choose to enter into discussions with company representatives. This sponsorship is one of three pharmaceutical companies who sponsored the event on 24 February 2015 (total amount of funding £1200)	Approved	CFO	16.1.15	

C-05-15	The project is to run a city-wide half day training event for GPs and practice nurses on the afternoon of 25 March 2015. The event will cover a range of topics on gastroenterology, issues including reflux disease, liver disease update, an update on alcohol screening in primary care and information on screening and prescribing. The clinical content of the programme has been designed by a local GP, who is the clinical lead. In addition, there is conditions oversight from the PLI SG which consists of 3 GPs and a senior CCG manager. Around 300 people are expected to attend the event.	NHS Sheffield Clinical Commissioning Group. Sponsorship income will be paid into the Joint Clinical Directors' budget which is being used to fund the overall event	Galderma (UK) Ltd	400.00	Approved by the Head of Medicines Management. The arrangements concern covering costs associated with the venue and catering.
