A. Summary of our reports issued	

This report is addressed to NHS Sheffield CCG (the CCG) and has been prepared for the sole use of the CCG. We take no responsibility to any member of staff acting in their individual capacities, or to third parties.

External auditors do not act as a substitute for the audited body's own responsibility for putting in place proper arrangements to ensure that public business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

Introduction

Background

This Annual Audit Letter (the letter) summarises the key issues arising from our 2019/20 audit at NHS Sheffield Clinical Commissioning Group (the CCG). Although this letter is addressed to the Members of the Governing Body of the CCG, it is also intended to communicate these issues to external stakeholders, such as members of the public. It is the responsibility of the CCG to publish this letter on the CCG's website. In the letter we highlight areas of good performance and also provide recommendations to help the CCG improve performance where appropriate. We have reported all the issues in this letter to the CCG during the year and we have provided a list of our reports in Appendix A.

Scope of our audit

The statutory responsibilities and powers of appointed auditors are set out in the Local Audit and Accountability Act 2014. Our main responsibility is to carry out an audit that meets the requirements of the National Audit Office's Code of Audit Practice (the Code) which requires us to report on:

Financial Statements including the regularity opinion and Governance Statement	<p>We provide an opinion on the CCG's financial statements. That is whether we believe the financial statements give a true and fair view of the financial affairs of the CCG and of the income and expenditure recorded during the year.</p> <p>We are also required to form a view on the regularity of the CCG's income and expenditure i.e. that the expenditure and income included in the CCG's financial statements has been applied to the purposes intended by Parliament and the financial transactions in the financial statements conform to the authorities which govern them. We report by exception if the CCG has not complied with the requirements of NHS England in the preparation of its Governance Statement. We also examine and report on the consistency of the schedules or returns prepared by the CCG for consolidation into the Whole of Government Accounts (WGA) with our other work.</p>
Value for Money arrangements	<p>We conclude on the arrangements in place for securing economy, efficiency and effectiveness (value for money) in the CCG's use of resources.</p>

Fees

Our audit fee for 2019/20 was £38,821 (2018/19: £39,821) excluding VAT. This fee was below the fee agreed at the start of the year with the CCG's Audit Committee. The fee was reduced as additional work for implementation of IFRS 16 was not applicable.

Our non audit fees for 2019/20 was £6,000 (2018/19: £14,000) excluding VAT, and relates to the proposed fee for MHIS work.

Acknowledgement

We would like to take this opportunity to thank the officers of the CCG for their continued support throughout the year.

Headlines

This section summarises the key messages from our work during 2019/20.

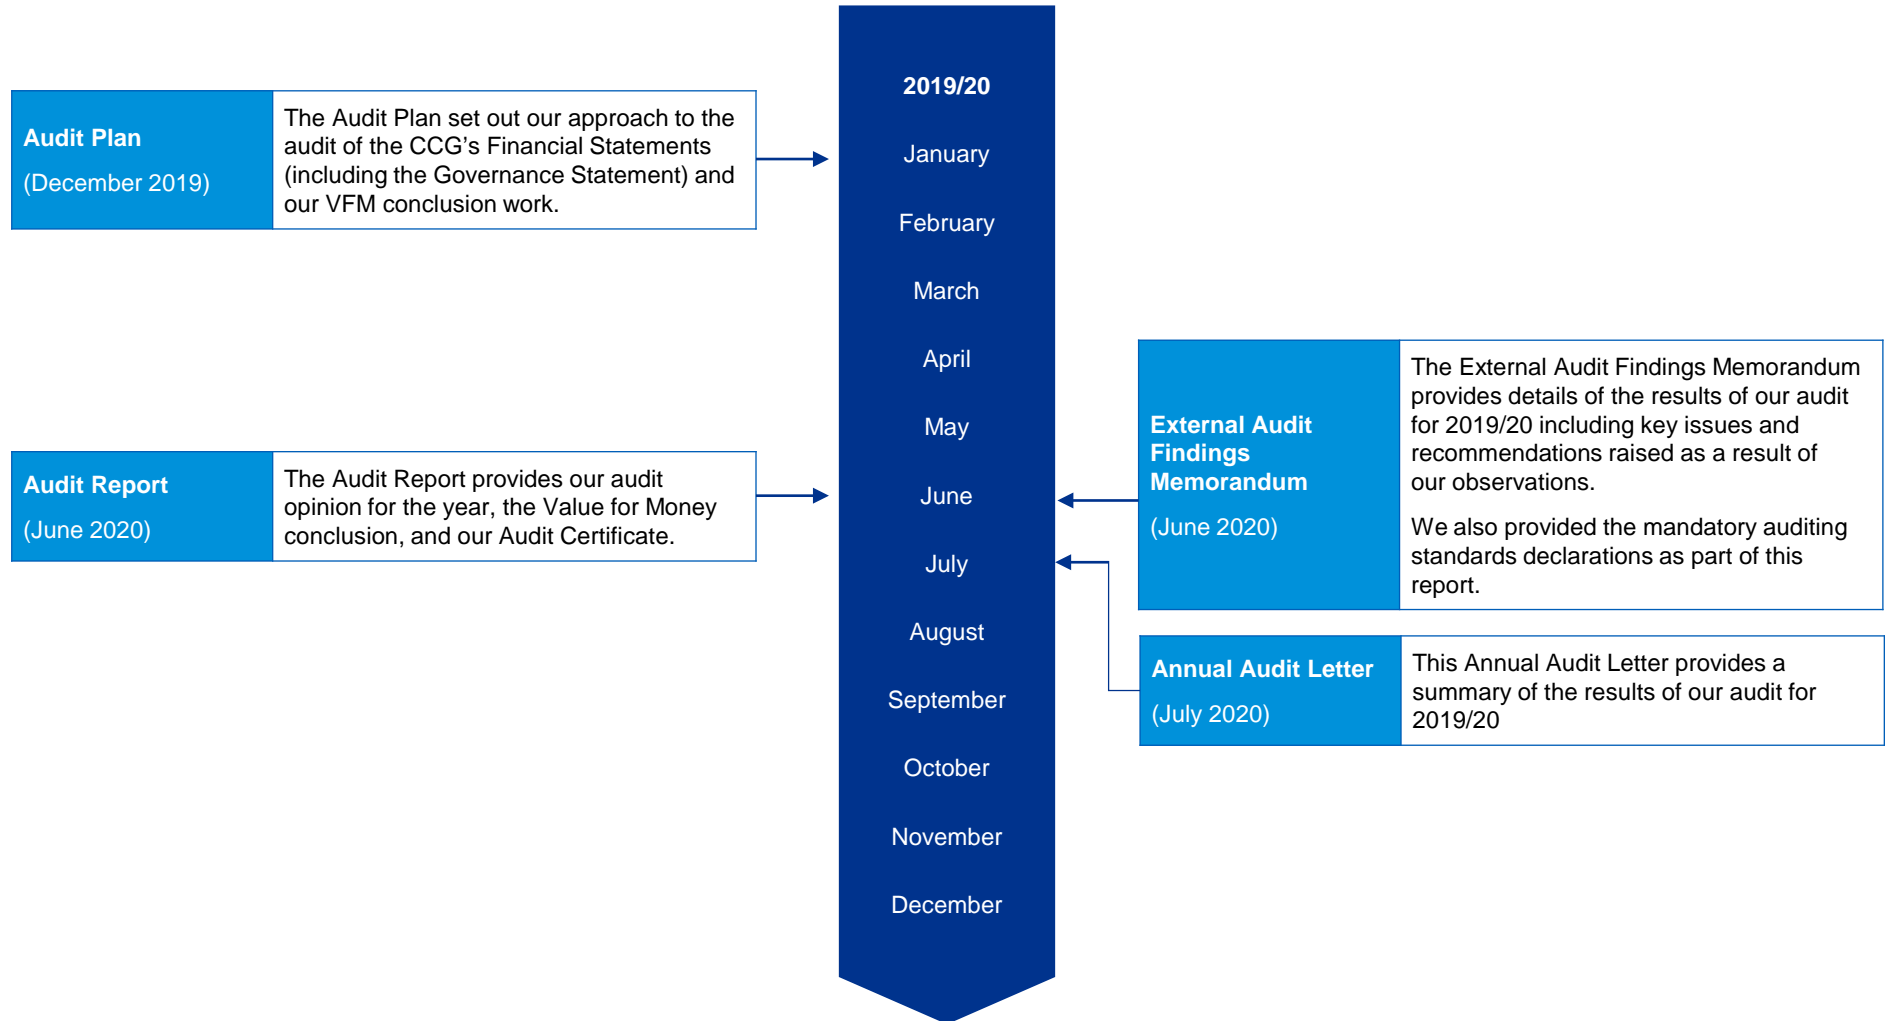

Financial Statements audit opinion	<p>We issued an unqualified opinion on the CCG's accounts on 24 June 2020. This means that we believe the accounts give a true and fair view of the financial affairs of the CCG and of the income and expenditure recorded during the year.</p> <p>There was one unadjusted audit difference in relation to the prescribing accrual.</p> <p>There were no significant matters which we were required to report to 'those charged with governance'.</p>
Financial statements audit work undertaken	<p>We are required to apply the concept of materiality in planning and performing our audit. We are required to plan our audit to determine with reasonable confidence whether or not the financial statements are free from material misstatement. An omission or misstatement is regarded as material if it would reasonably influence the user of financial statements. Our materiality for the audit was £16m (2018/19: £15.5m).</p> <p>We identified the following risks of material misstatement in the financial statements as part of our External Audit Plan 2019/20:</p> <ul style="list-style-type: none"> — Expenditure Recognition - We considered the risk of fraudulent financial reporting through manipulation of expenditure. We tested controls over segregation of duties in relation to invoice payments and found controls to operate effectively throughout the year. We performed sample testing of Non-NHS expenditure items throughout the year and were able to agree all to appropriate supporting documentation. No significant issues arose from our risk based work. — Management override of controls – We considered the risk of fraudulent financial reporting through manipulation of accounting records. We tested controls over journal entries, this confirmed segregation of duties between posting and authorisation. We reviewed and challenged methods and underlying assumptions used to prepare accounting estimates. We found no change to the methods used from the prior year. Due to the timing of out audit work, the final prescribing invoice was received prior to signing the accounts. This indicated an under-accrual of £484,693. This is an unadjusted audit difference.
Regularity Opinion	<p>We are required to form a view on the regularity of the CCG's income and expenditure i.e. that the expenditure and income included in the CCG's financial statements has been applied to the purposes intended by Parliament and the financial transactions in the financial statements conform to the authorities which govern them.</p> <p>We reviewed the CCG's expenditure and income and in our opinion, in all material respects, it has been applied to the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.</p>
Governance Statement	<p>We confirmed that the CCG complied with NHS England requirements in the preparation of the CCG's Governance Statement.</p> <ul style="list-style-type: none"> — No significant adjustments were required to the Governance Statement.

Headlines (cont.)

Whole of Government Accounts	We issued an unqualified Auditor Statement on the Consolidation Schedules prepared by the CCG for consolidation into the Whole of Government Accounts with no exceptions.
Value for Money (VFM) conclusion	We are required to report to you if we are not satisfied that the CCG has made proper arrangements to secure economy, efficiency and effectiveness in its use of resources. Based on the findings of our work, we have nothing to report.
VFM conclusion risk areas	<p>We undertook a risk assessment as part of our VFM audit work to identify the key areas impacting on our VFM conclusion and considered the arrangements you have put in place to mitigate these risks.</p> <p>Our work identified the following significant risks:</p> <ul style="list-style-type: none"> — Implementation of CCG Improvement Plan - We considered the risk of staffing changes at Executive and Governing Body level in 2019/20 could impact the sub-criterion of 'Informed Decision Making'. We obtained a copy of the Improvement Plan and observed progress against this being reported to Governing Body. The actions of the Improvement Plan had been substantially all completed by year-end. No significant issues arose from our risk based work.
Recommendations	<p>We are pleased to report that there are no high risk recommendations arising from our 2019/20 audit work.</p> <p>We have raised no recommendations in relation to 2019/20 audit work.</p> <p>We had no recommendations to follow up in relation to our 2018/19 audit.</p>
Public Interest Reporting	We have a responsibility to consider whether there is a need to issue a public interest report or whether there are any issues which require referral to the Secretary of State. We did not issue a report in the public interest or refer any matters to the Secretary of State in 2019/20.
