<b>ACTION/MATTERS ARISING FROM THE MEETING OF 7 NOVEMBER 2019</b>					
122/19	<b>Public Question</b> – to be answered more fully with regard to current levels of vacancies and agency staffing within provider services	The Accountable Officer suggested that it would be useful for the partnership to work collectively together and for the Workforce Leads to try and get to the heart of the question so that can produce a Sheffield wide report to provide a flavour of vacancy rates across all of the sectors. Agency staffing is more complex and includes capped figures on what can be spent which can mask workforce gaps. Mr Hughes to raise at the Accountable Care Partnership (ACP) Workforce Group.	<b>Mr Hughes</b>	<p><b>Update 27.08.20:</b> The information in relation to the workforce group of the ACP is now starting to reconvene so the issues around agency spend and vacancy will be picked up through that work and will be reported at a future Governing Body</p> <p><b>Update 07.05.20 and 18.06.20:</b> the work to produce a consolidated report of vacancy rates across all of the sectors in the Accountable Care Partnership (ACP) has been paused in light of the current situation.</p> <p><b>Update 05.03.20:</b> work is ongoing via the ACP and update to be provided in May 2020.</p> <p>Work underway to scope and</p>	<b>Open</b>
