<b>Purpose of Paper</b>	
<p>Governing Body is asked to approve the re-enactment of the previously suspend Standing Order 2.2.5(d) (Lay Members Term of Office) which was achieved by enacting Standing Order 3.9 (Suspension of Standing Orders).</p>	
<b>Key Issues</b>	
<p>The CCG's Lay Members are appointed through an open application and interview process for a period of three years. The term of office of one of the CCG's Lay Members was due to end on 30 June 2019. Following the publication of the NHS Long Term Plan and due to ongoing discussions on how the commissioning arrangements may evolve, Governing Body agreed to an extension to the term of office rather than the CCG proceeding to application and interview process for a three year term. The term of office is specified in the CCG's Constitution under section 2.2.5(d) of the Standing Orders, therefore in order to make this offer of an extension it was agreed that this paragraph of the Standing Orders would be suspended by enacting Standing Order 3.9 (Suspension of Standing Orders).</p> <p>As the appointments have now been made to two Lay Members vacancies, there is no longer a requirement for this suspension of Standing Orders.</p>
