

Adoption of the Draft Annual Report 2021/22**Governing Body meeting****D****5 May 2022**

Author(s)	Carol Henderson, Corporate Governance Manager
Sponsor Director	Cath Tilney, Associate Director of Corporate Services
Purpose of Paper	
<p>The CCG has a statutory requirement to produce and publish an Annual Report each year, the contents of which is largely mandated by the Department of Health and Social Care.</p> <p>The 2021/22 draft report for NHS Sheffield CCG has been prepared in line with these national requirements. It is presented for Governing Body to review and to adopt alongside the CCG's draft (unaudited) annual accounts for 2021/22. It has been circulated to members as part of the supporting information pack.</p> <p>The draft report was sent to NHS England and the CCG's External Auditors on 26 April for formal review. It should be noted that there were a very small number of sections in the draft report that were incomplete as the information is not yet available. These sections are expected to be complete by the time of the final report being agreed.</p>	
Key Issues	
<p>In line with national guidance, the report comprises three main elements:</p> <ol style="list-style-type: none"> 1. The Performance Report, which must include an overview and performance analysis; 2. The Accountability Report, which must include the annual governance statement, incorporating the Head of Internal Audit's opinion statement; the remuneration and staff report; and in due course a report by our external auditors. These parts of the annual report contain significant detail in relation to how the CCG operated in 2021/22 in terms of our governance processes, our risk management and make a range of disclosures relating to remuneration and staff as mandated by the Department of Health. 3. The CCG's accounts (Financial Statements) which will be included once audited. <p>Governing Body members are responsible for ensuring we are accountable to our stakeholders, including the general public. At the time at which the final report is agreed, every member is required to confirm the two statements in the Statement of Disclosure to Auditors on page 66.</p>
