Quality	Emma	Thompson	Primary Care Development Nurse	I chair the Primary Care Respiratory Society affiliated South Yorkshire Respiratory Interest Group committee. Both myself and the committee members operate in a voluntary capacity. We facilitate respiratory educational events for health professionals from both primary and secondary care from across South Yorkshire. The events are sponsored by a variety of companies by the purchase of trade exhibition space, providing funding towards the cost of this event but having no input into the agenda or content. The sponsors are not present when the presentation is delivered As from 18/3/2020 I am on the national PCRS Affiliated Group Leads Management Committee. This is a voluntary role that meets in person or virtually several times a year to discuss how to support, and offer advice to new affiliated group leaders My spouse is providing free consultancy to the CCG regarding the potential use of Microsoft Teams. This service was initially offered during the pandemic when the CCG had to start using Microsoft Teams at short notice and welcomed technical advice.
