1	Colln Parke	Infrastructure Programme Manager	12/08/2020	Declined		<p>Premier Pass for VMWorld: The gift was intended to provide me with 1:1 expert consultations over the course of the event with VMware engineers on a variety of VMware products including vSphere, NSX-T, NSX-v, vSAN, vRealize Suite (vRealize Operations, Automation, Log Insight), VCF, Kubernetes, Tanzu, PKS, SD-WAN, Horizon, Velocloud, VMware Cloud on AWS, Carbon Black It follows a £3.3million regional procurement of VMware technology across 7 partner organisations. As part of that procurement, regional VMware product credits totalling £2.3million have been provided to the participating organisations across the ICS in order to consolidate technologies, support transformation and drive strategy. The ICS holds 35% (Approx. £800k value) of these credits for regional initiatives with VMware technology. This is intended as a series of support from VMware to the ICS to support the regional adoption of these credits.</p>	G	\$299 (USD)	<p>VMware: IT Infrastructure Software manufacturer. Used by all organisations within the ICS to provide core infrastructure services.</p>	<p>The overarching principles set out in national Managing Conflicts of Interest in the NHS Guidance which apply in all circumstances are that staff should not accept gifts that may affect, or be seen to affect, their professional judgement. It goes on to say that gifts from suppliers or contractors doing business with the CCG should be declined whatever their value. The offer of the gift should therefore be declared with a record to show that it has been declined.</p>		04/09/2020
