

# Commissioning for Quality

## 2015 - 19 *The next four years*

Our ambition is to be an excellent performing CCG that commissions the right services, delivered in the right places by skilled staff for the people of Sheffield.

## Our Quality Objectives

Working with you to make Sheffield

**HEALTHIER**

# Assuring Quality of Care

Agree standards  
& targets in  
contracts

Receive and  
analyse quality  
data

Triangulate  
quality data with  
other data

Review provider  
performance

Raise concerns  
and implement  
contract levers

Share good  
practice and  
lessons learned

We will work with all of our providers to ensure high quality and safe care for all of our patients. The Quality Assurance Framework will allow us to systematically review and manage our providers' performance.
