

Integrated Commissioning Programme

June 2015

Sheffield Health & Social Care

Active Support and Recovery

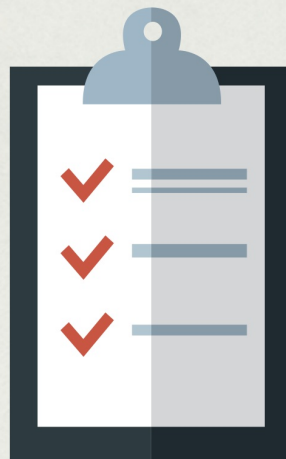

Keeping people at home and out of hospital

Where appropriate, ASR will work to keep people out of hospital and to shorten lengths of stay for those who need to be there

Creating the right model of care

ASR will work with stakeholders to create a seamless model of care with the right outcomes for users

Public

Citizen Reference Group

Third Sector

Providers and Commissioners

The LMC

GPs

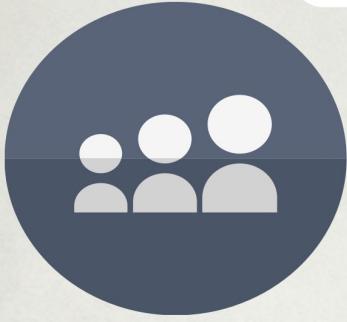

Community and Social Services

Nursing Homes

YAS

And more...

Where are we?

By end of June 2015, three stakeholder workshops will have taken place that will shape what ASR will look like

...and beyond

A full stakeholder engagement event will go ahead after June to take the work forward

ASR

'Confirm OR Challenge'

Destination: ASR
