

Our commitments for Dementia Group feedback form

How will we know that we are getting it right for people living with dementia?

What would good dementia support look like to you?

Are there any barriers to making these commitments happen, and how can they be overcome?

What do you think the priorities should be in the first 1-2 years?

Individuals should only select a few of the commitments that they think should be a priority. Please tally up how many times each commitment has been chosen and write in the corresponding boxes below.

1. Sheffield will become a dementia friendly city.	<input type="checkbox"/>	8. We will make sure that more people get access to personalised, good quality palliative and end of life care when they need it.	<input type="checkbox"/>
2. We will ensure preventative health becomes an integral part of the dementia work.	<input type="checkbox"/>	9. We will improve care for people with dementia attending A&E and those admitted to Sheffield Teaching Hospitals.	<input type="checkbox"/>
3. We will improve access to the diagnosis of the diseases that cause dementia at the earliest possible stage for the people of Sheffield.	<input type="checkbox"/>	10. Care homes will take account of the needs of people with dementia.	<input type="checkbox"/>
4. For people with dementia, support in Sheffield will be more personalised, local and accessible to help people to remain independent for as long as possible.	<input type="checkbox"/>	11. We will support the clinical and non-clinical research community in Sheffield.	<input type="checkbox"/>
5. We will provide high quality support to families and carers of people with dementia in Sheffield to help people with dementia maintain their independence for as long as possible.	<input type="checkbox"/>	12. We will provide guidance to clinicians in relation to the best medicines for dementia, including when to initiate and review medication.	<input type="checkbox"/>
6. Sheffield will continue to provide out of hospital emergency assessments and short term care when people need it and in the most appropriate setting.	<input type="checkbox"/>	13. We will monitor the strategy and the implementation plan supporting it.	<input type="checkbox"/>
7. Sheffield will continue to provide specialist inpatient assessment and treatment for people who are unable to receive care in their own homes.	<input type="checkbox"/>		<input type="checkbox"/>

Is anything missing?

Equality monitoring - OPTIONAL

In order to ensure that we provide the best services for **all** of our communities, and to ensure that we do not knowingly discriminate against any section of our community, it is important for us to gather the following information. No personal information will be released when reporting statistical data and all information will be protected and stored securely in line with data protection rules.

This information will be kept confidential and individuals do not have to answer all of these questions, but we would be very grateful if they would.

Please tally up the responses of the whole group and enter the numbers in the relevant boxes below.

Please tell us what type of people are at the meeting

Living with dementia		A family member of someone living with dementia	
A carer for someone living with dementia		A member of a community organisation	
A member of staff		None of these	

Please tell us the first part of each participants' postcodes (e.g. S9, S35)

Please list here
